600. Statement of Claim for deprivation of constitutional rights ect.

601. From 1900 - 1904 a group of cases called “insular tariff cases”.As enacted they are a series of U.S supreme court cases that gave congress permission to create a separate nation within this nation using The federal territories defined in INA 101(a)(38), as states like Guam, Puerto Rico,America Soma and others became a union of states known as the United States of America Minor, congress then started referring to this newly created entity as if it were referring to the continental united states of America seizing the government of the American landmass of people. By the u.s Supreme court and congress enacting a system of unknown control over the American people by foreign B.A.R.(British accreditation registry) association members who created a list of acts to entrap, enslave and seize the right property and interest of the American people.

602. The Foundling Act of 1940 turned all parentless children under the age of 5 located in the geographic area of the u.s to u.s citizens. the mother signed as an informant giving title and equity to the child to the state of michigan creating the doctrine of parens patriae where the state is the parent giving them colorable authority to seize property and violate constitutional rights of the American state national whose identity was stolen and misclassified by congress.

603. 31 cfr 363.6 Minor means an individual under the age of 18 years. The term minor is also used to refer to an individual who has attained the age of 18 years but has not yet taken control of the securities contained in his or her minor account. see form fs 1455 see form FS 1522, I am the person entitled to distribution of liquidated funds, I wish to have them in the form of a check.

604. The STATE OF MICHIGAN is a corporation (title 28 usc 3002 (15)) acting under colorable law, following the regulations of the trading with the enemy Act imposed on March 9th 1933, the trading with the enemy act regulation of

October 6, 1917 was imposed on the american people, after the american people turned over their gold and silver to the federal reserve banks, then wanted their gold and silver back but it was already sold by the federal reserve banks and their subsidiaries, so the banks needed protection from the american people.

605. president roosevelt then had congress declare a national emergency seizing the war powers over the country for the monetary system, the trading with the enemy act was enacted, title 50 usc chapter 53, March 9, 1933 the rights, property and interest of the american people was seized, we were then classified as enemies of the state or enemy ally's. This is a clear breach of title 18 usc 241 by the United states and its (subsidiaries) united states of american minor plus the secretary of treasury has conspired to deprive the American people as well as myself of their god given and constitutional rights under the colorable law.

606. 609. The American people lost our rights and freedoms under the war powers see -senate report 93549 written by the u.s senate in 1973 "since March 9. 1933 the United States has been in a state of declared national emergency".

610. On march 9th 1933 the american people were classified as enemies of the state under the emergency war powers authorized by congress in favor of the president of the united states "when a emergency is declared in this country the constitution is suspended" we lost our rights and freedoms under the war powers see senate report 93549 written by the u.s senate in 1973 "since March 9, 1933 the united states has been in a state of declared national emergency".

611. Evidence at Title 12 usc 95(b). 48 statute 1 - Congress-

"The exclusion of domestic transactions formerly found in the act was deleted from section 5 (B) at this time ."

We the people and our transactions are considered the same as enemies trading with the enemy act, is a silent war act applied to the American people and their domestic trades /transactions.

612. The foundling act passed by congress in 1940 any person born in the geographical location of the united states who are parentless are automatically considered u.s citizens look at HALE v. HENKEL 1906 -

"an individual state citizen has unalienable constitutional rights, while a United States citizen, a creature of the state, has privileges and civil rights are held subject to policy, rules, codes, statutes the same as any other public servant." Claiming to be a u.s citizen is self induced slavery, servitude to the corporate jurisdiction and its rules and regulations a legal person with the right to sue or be sued.

When such circulating notes are issued against the security of obligations of the United States, the amount of such circulating notes shall be equal to the face value of the direct obligations of the United States so deposited as security; and, when issued against the security of notes, drafts, bills of exchange and bankers' acceptances acquired under the provisions of this Act, the amount thereof shall be equal to not more than 90 per cent of the estimated value of such notes, drafts, bills of exchange and bankers' acceptances so deposited as security."

619. 27 CFR 72.11- all crimes are commercial crimes (contracts with a value associated) that includes a penal sum and net retention for the people running the show in courts, the judge, prosecutor and defense attorney's. The justice system is the largest contributor to the national debt for imposing commercial crimes with a monetary value on all americans imprisoned in the prison system courts around the u.s secretly receive credits from the bureau of fiscal services by

way of gsa forms submitted by the head court clerk to the Bureau of Fiscal services, sf 24 is a bid bond to bid on the case at indictment the dates will match, the indictment is a true bill it has a commercial value because all crimes carry a commercial contract with a monetary value , the sf 25(performance bond) is usually issued at trial given to fiscal services to alert them that the minor will have to perform get ready to liquidate the assets for the face value of the charges brought against the defendant the sf 25(payment bond) will match the trial date of the defendant, sf 25a is a payment bond issued at sentencing that acts as a direct deposit form for the court/bank/postoffice to receive funds from the charges imposed, the sf 28 is used to substitute the living soul for the minor and the assets held in the minors account, sf 30 to rescind any contract for fraud and swindles or because a minor is incompetent to contract ect. There are many more such as the federal form sf 273,sf 274,sf 275, non construction sf 1414, SF 1416, SF 1418, OF 90, OF 91, all court case numbers are CUSIP numbers, each summary judgment is monetized through securitization of the court case numbers title 4 united states codes allows the government to bill our accounts for governmental services.

620. Modern money mechanics published by THE FEDERAL RESERVE BANK OF CHICAGO states page 6.” Ofcourse, they don't really pay out loans from the money they receive as deposits. If they did this, no additional money would be created. What they do when they make loans is to accept promissory notes in exchange for credits to the borrowers' transaction accounts. Loans (assets)and deposits (liabilities) both rise by \$9,000. Reserves are unchanged by the loan transactions. But the deposit credits constitute new additions to the total deposits of the banking system.- The monetary system in this country is a credit system.

Certificates of Non Citizen Nationality

The Department of State occasionally receives requests for certificates of non-citizen national status pursuant to Section 341(b) of the Immigration and Nationality Act (INA), 8 USC 1452(b).

As the title of the certificate indicates, only a person who is a non-citizen U.S. national (i.e., a U.S. national but not a U.S. citizen) may apply for such a certificate.

As defined by the INA, all U.S. citizens are U.S. nationals but only a relatively small number of persons acquire U.S. nationality without becoming U.S. citizens. Section 101(a)(21) of the INA defines the term "national" as "a person owing permanent allegiance to a state." Section 101(a)(22) of the INA provides that the term "national of the United States" includes all U.S. citizens as well as persons who, though not citizens of the United States, owe permanent allegiance to the United States (non-citizen nationals).

Section 308 INA confers U.S. nationality but not U.S. citizenship, on persons born in "an outlying possession of the United States" or born of a parent or parents who are non-citizen nationals who meet certain physical presence or residence requirements. The term "outlying possessions of the United States" is defined in Section 101(a)(29) of the INA as American Samoa and Swains Island. No other statutes define any other territories or any of the states as outlying possessions.

In addition to Section 308 of the INA, Section 302 of Public Law 94 - 241 provides for certain inhabitants of the Commonwealth of the Northern Mariana Islands, who became United States citizens by virtue of Article III of the Covenant, to opt for non-citizen national status. (See requirements of Section 302).

As the Department has received few requests, there is no justification for the creation of a non-citizen national certificate. Designing a separate document that includes anti-fraud mechanisms was seen as an inefficient expenditure of resources. Therefore, the Department determined that those who would be eligible to apply for such a certificate may instead apply for a United States passport that would delineate and certify their status as a national but not a citizen of the United States.

If a person believes he or she is eligible under the law as a non-citizen national of the United States and the person complies with the provisions of section 341(b) of the INA, 8 USC 1452(b), he/she may apply for a passport at any Passport Agency in the United States. When applying, applicants must execute a Form DS-11 and show documentary proof of their non-citizen national status as well as their identity.

Pertinent Sections of Law on Non-Citizen Nationality

Section 341 of the Immigration and Nationality Act:

(b) A person who claims to be a national, but not a citizen, of the United States may apply to the Secretary of State for a certificate of non-citizen national status. Upon - (1) proof to the satisfaction of the Secretary of State that the

applicant is a national, but not a citizen, of the United States; and, (2) in the case of a non-citizen national born outside of the United States or its outlying possessions, taking and subscribing, before an immigration officer within the United States or its outlying possessions, to the oath of allegiance required of an applicant for naturalization.

Section 101(a)(21) of the Immigration and Nationality Act:

The term "national" means a person owing permanent allegiance to a state.

Section 101(a)(29) of the Immigration and Nationality Act:

The term "outlying possessions of the United States" means American Samoa and Swains Island.

Section 101(a)(36) of the Immigration and Nationality Act:

The term "State" includes the District of Columbia, Puerto Rico, Guam, and the Virgin Islands of the United States.

Section 308 of the Immigration and Nationality Act:

Unless otherwise provided in section 301 of this title, the following shall be nationals, but not citizens of the United States at birth:

(1) A person born in an outlying possession of the United States on or after the date of formal acquisition of such possession;

(2) A person born outside the United States and is outlying possessions of parents both of whom are nationals, but not citizens, of the United States, and have had a residence in the United States, or one of its outlying possessions prior to the birth of such person;

(3) A person of unknown parentage found in an outlying possession of the United States while under the age of five years, until shown, prior to attaining the age of twenty-one years, not to have been born in such outlying possessions; and

(4) A person born outside the United States and its outlying possessions of parents one of whom is an alien, and the other a national, but not a citizen, of the United States who, prior to the birth of such person, was physically present in the United States or its outlying possessions for a period or periods totaling not less than seven years in any continuous period of ten years -

(A) during which the national parent was not outside the United States or its outlying possessions for a continuous period of more than one year; and

(B) at least five years of which were after attaining the age of fourteen years.

The provision of section (301(g) shall apply to the national parent under this paragraph in the same manner as it applies to the citizen parent under that section.

Section 302 of Public Law 94 - 241:

Any person who becomes a citizen of the United States solely by virtue of the provisions in Section 301 [applying to those born in or residing in the Northern Mariana Islands] may within six months after the effective date of that Section or within six months after reaching the age of 18 years, whichever date is later, become a national but not a citizen of the United States by making a declaration under oath before any court established by the Constitution or laws of the United States or any other court of record in the Commonwealth in the form as follows " I _____ being duly sworn, hereby declare my intention to be a national but not a citizen of the United States."
